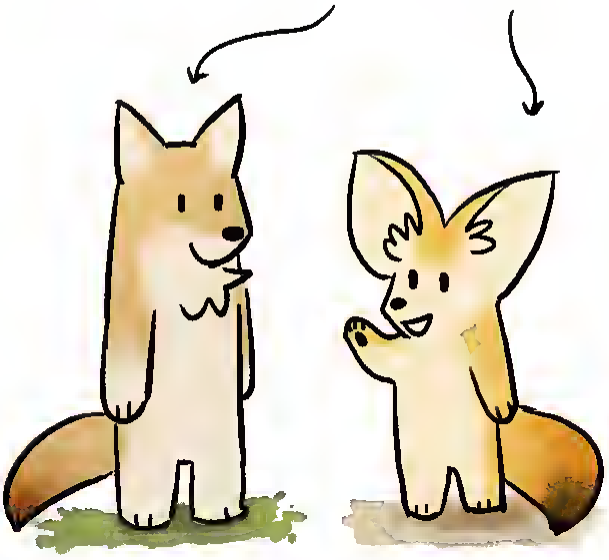
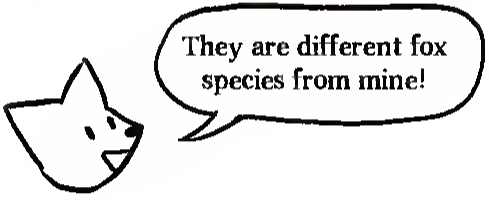
Anntelope also has a relative — the Sable Antelope —

the national animal of Zimbabwe and Angola.

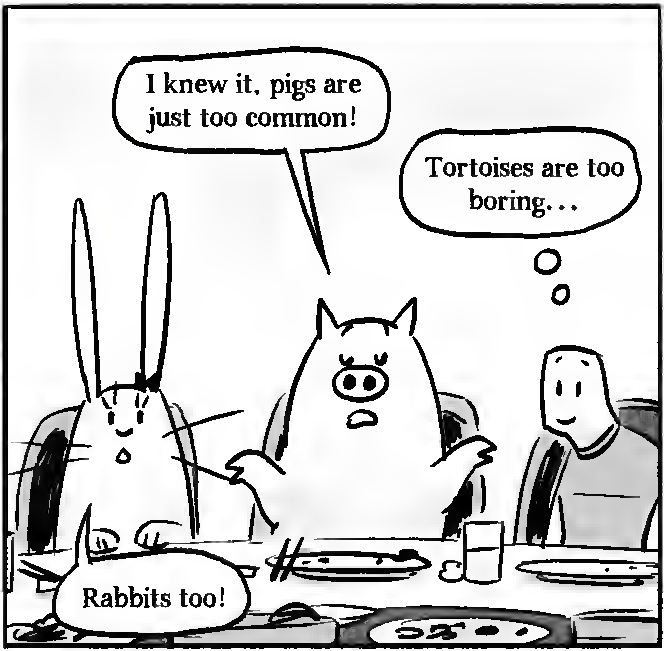
Tiger is the national animal of India, Bangladesh, Malaysia, Myanmar, South Korea and Vietnam.

Fox is the national animal Paraguay and Algeria.





Giraffe is the national animal of Tanzania.



I knew it, pigs are just too common!
Tortoises are too boring...
Rabbits too!

Well, it's a good thing that we are all over the world.

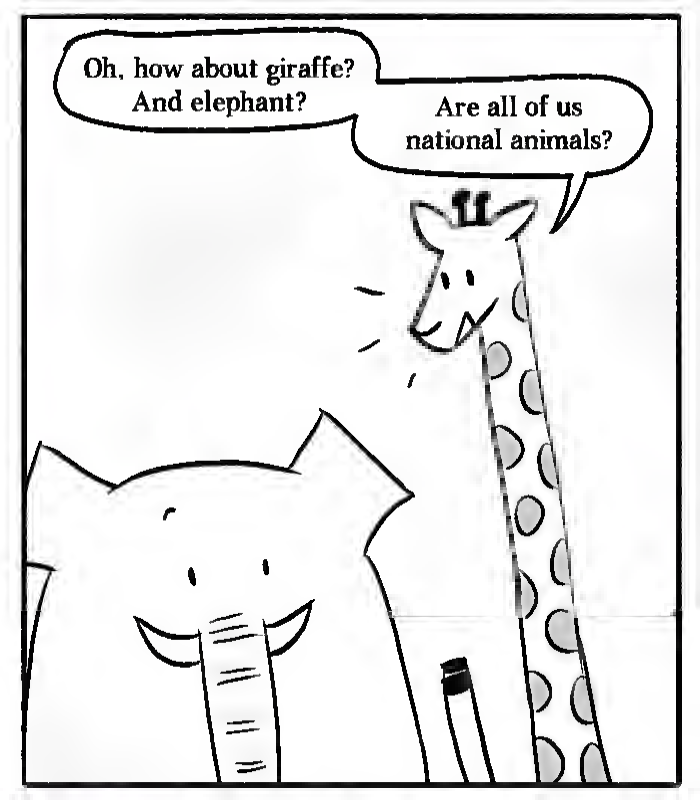
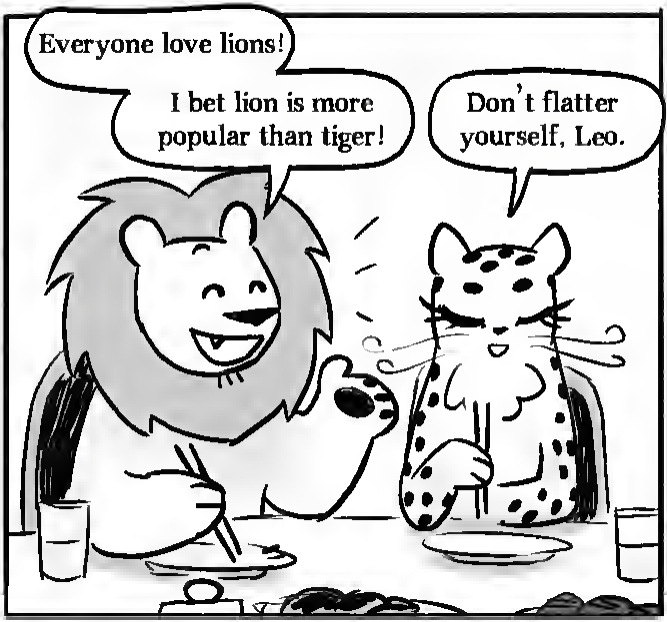
Yeah!
We are the king of the world!
Congratulations.
Alright, let's pay the bill, king of Roar Street Jounral.



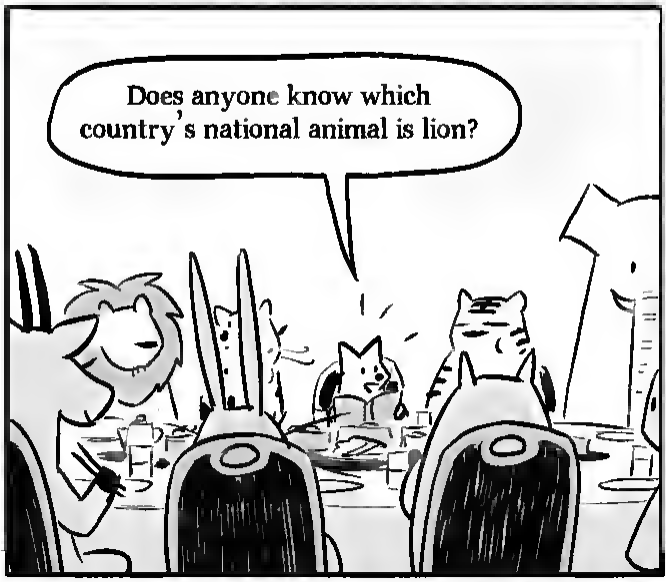
Oh, how about giraffe? And elephant?
Are all of us national animals?

I just read that the national animal of India is tiger.
Tiager, you are the king of India!

Hey, how about me?
I will save yours for the last.
Aww, come on...



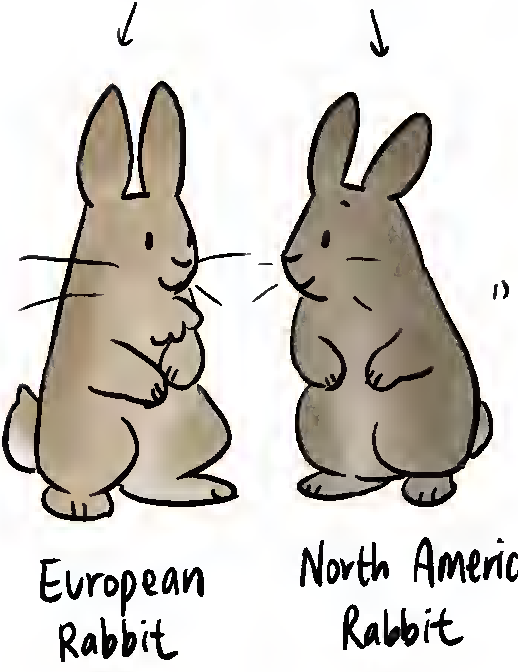
Everyone love lions!
I bet lion is more popular than tiger!
Don't flatter yourself, Leo.



Does anyone know which country's national animal is lion?

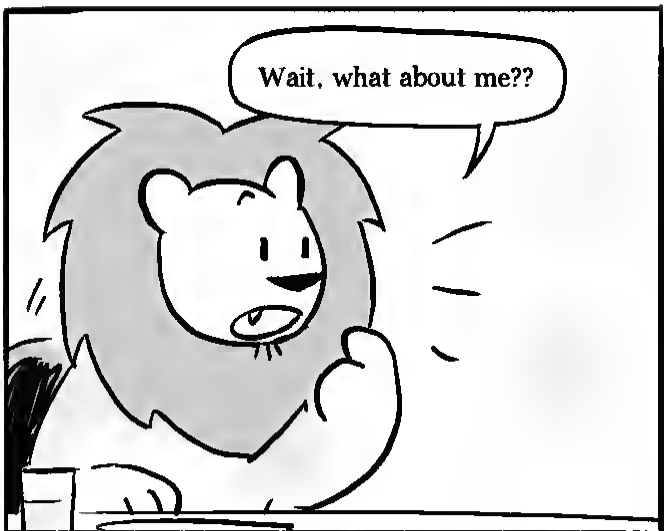
Rabbits are mostly found in

Europe and North America.



Numerous species of tortoises and alligators

are spread across the world.



Wait, what about me??

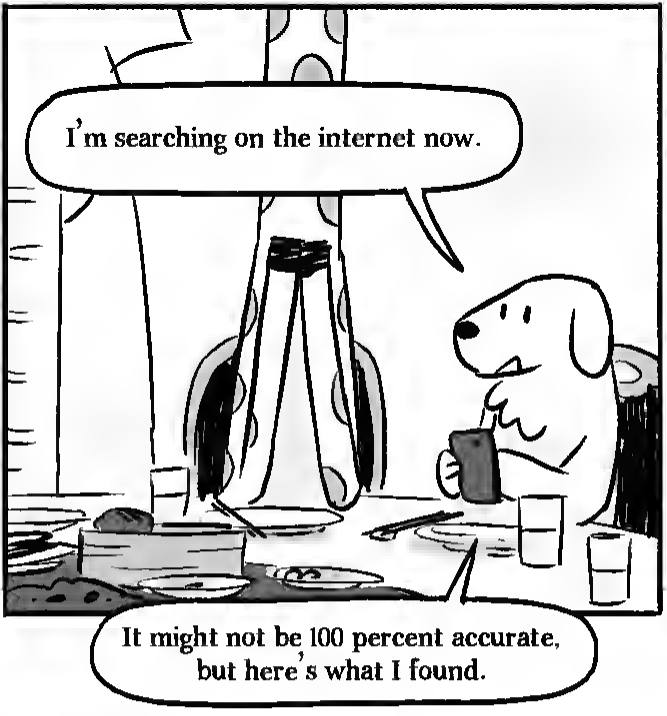
Alright, let's continue.

Cheetah is the national animal of Iran.

Pigs and their relative Wild Boars

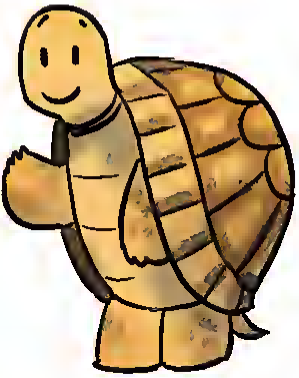
are found in many countries.

Ah, lion is in fact the most popular national animal.
Lions are the national animal of Ethiopia, Iran, Kenya, Liberia, Libya, Luxembourg, Netherlands, Singapore, Sri Lanka, Armenia, Belgium, Bulgaria and England!



I'm searching on the internet now.
It might not be 100 percent accurate, but here's what I found.

African Spurred Tortoise



Greek Tortoise

American Alligator

Chinese Alligator

Horse is the national animal of

Azerbaijan and Canada.

Karabakh Horse
(oldest breed in Asia)

Introducing:

Which country are you from,

and what its national animal(s)?

Share it in the comments!

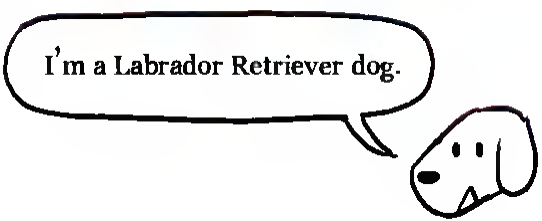
Starting next episode,

I will pick one animal and draw it

at the end of every episode!

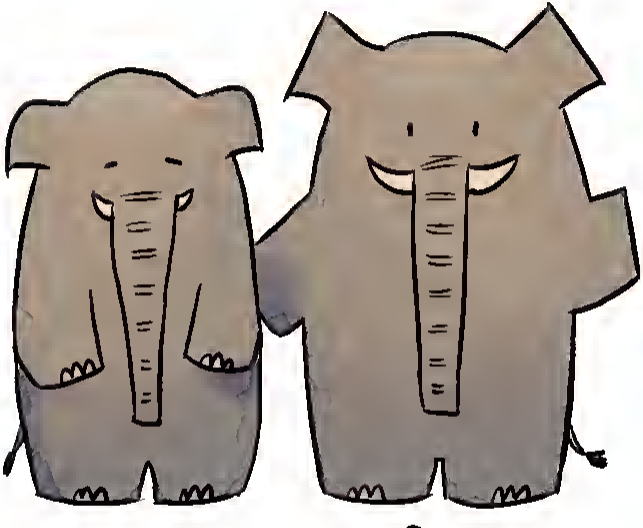
For dogs, although I'm not a bulldog,

it's one of the national animals of the United Kingdom.



The rest of us are not national animals of any countries.

Elephant is the national animal of India, Mozabique, Thailand, Ivory Coast and Laos.



Oh yeah, but I'm king of the jungle!
Well...That's just from story books and fairy tales.
